# THE BIG SMALL SHOW

# I WANT TO BE A PART OF IT: NEW YORK, NEW YORK

play

From its beginning in 2010, Playtime New York has grown exponentially by welcoming more brands and visitors each season. Featuring an expertly curated selection of kids' fashion and lifestyle labels tailored to the North American market, over 260 brands gather twice a year under the roofs of The Altman Building and the Metropolitan Pavilion in the heart of New York City to present their Autumn/Winter and Spring/Summer collections. Thanks to its exceptional offer and easily accessible location, Playtime New York has quickly become the top destination for retailers and the press to discover new brands, strengthen partnerships with old friends, and find inspiration.

As of August 2021, the avant-garde of Playtime has aligned itself with internationally recognized labels from Kid's Hub to create the biggest, one-stop-shop trade show for kidswear professionals. With the diverse collections from these two complementary sectors of the children's market, buyers can find everything they are looking for in one space as they explore the aisles of the only show to exhibit such an artful, well-rounded selection.
