

# IMMERSIVE EXPERIENCES IMAGINED JUST FOR YOU

Exclusively this season, let us guide you through the show via our Fil Rouge, a unifying path at the heart of the exhibition.

Follow the red line on the floor to discover unique experiences created by participating exhibitors to showcase their unique savoir-faire, family heritage, or sustainable commitments. These values echo the season's theme, "Made With Love."

Featuring creative workshops, inspiring exhibitions, and interactive installations, this itinerary invites you to explore and discover.

Can you stop at them all?

## 1 LIFESTYLE TREND SPACE

See what's cooking in the dream "kitchen" of Fanny Petit that features products from lifestyle brands at the show.

## 2 PLAYGROUND

Set your children (or your inner one!) free in a space imagined by Tiphaine, the illustrator behind Titeepex. Enjoy playing with mix-and-match characters, coloring pages, and costumes.

## 3 MA CABANE À RÊVES

Step into Ma Cabane à Rêves' dream magnet grocery shop, where you can choose, play, and invent as you take part in their collective fresco.

## 4 ANZY HOME

Play Anzy Home's "Color Fortune" game by picking a color card that will reveal a symbolic wish and receive a handmade crochet gift created from upcycled yarns.

## 5 4KIX

Join 4KiX's creative process by taking part in their fashion-led, interactive project that invites visitors to co-create bold accessories in a way that celebrates personal style and self-expression.
