Playtime is an international community that remains human sized, offering the best and most inspirational business experience in the kids' fashion, lifestyle, and parenthood sector!

PARIS: EPICENTER OF CREATIVE INTERNATIONAL BRANDS

Since its debut in 2007, Playtime Paris has been a pioneer in the kid's universe. Twice a year, Playtime artfully curates a premium selection of today's top international brands for children's fashion, decor, toys & leisure, wellness & care, babygear, parenthood, accessories, and shoes to present their collections in the heart of Paris at the Parc Floral. With a strong identity and original offer, Playtime has evolved to be the world reference for the kid's market.

Each season, over 300 brands that are a mix of new and loyal friends exhibit at the show. In addition to this curated selection, the show features a unique scenography with work from artists, inspiring trend spaces, and The Creative Studio, as well as a rich program of events that includes trend presentations, one-on-one meetings with experts, Le dressing idéal de Milk, the Design Hunger Prizes, and new surprises each season. This all comes together to make Playtime Paris the most creative, inspiring, and unmissable trade show for professionals.

MORE AND MORE LIFESTYLE...

30% OF BRANDS

that exhibit at Playtime offer lifestyle products like toys, decor, wellness, babygear, parenthood products, and accessories.

Since the beginning, Playtime has been recognized as a leader in the children's market for its unique curation of fashion and a vast universe of lifestyle labels.

The synergy between complementary brands offering fashion and lifestyle gives a holistic view of the children's and family universe.

We make sure lifestyle brands get the visibility they deserve by dedicating the section at the entrance of the show to them, inviting an expert to curate a trend space exclusively with lifestyle products, and making special communication on the 8 Design Hunger Prize winners each season who have stood out among the offer at the show.

Now more than ever, Playtime is growing its selection by introducing more labels that respond to the needs of the modern family.
